For questions 5 – 8, please estimate if you do not have exact information.

Of school-based health centers receiving either grant funds or Medicaid or SCHIP payments,

5. How many receive up to 25 percent of their operating budgets from these sources:
   __________(number)

6. How many receive between 26 percent and 50 percent of their operating budgets from these sources:
   __________(number)

7. How many receive between 51 percent and 75 percent of their operating budgets from these sources:
   __________(number)

8. How many receive between 76 percent and 100 percent of their operating budgets from these sources:
   __________(number)

9. State programs and policies to support school-based health centers

   Please check Yes or No.
   a. Is there a program unit which is responsible for providing technical assistance to communities interested in SBHCs?        ____ Yes        _____No

   If yes, how many people share this responsibility?  Please put a check next to the correct number.
   ___ 1 ___ 2 ____ 3 _____ 4 ______ 5+

   b. Does this office administer a grant program that supports SBHCs?

   c. If your state funds SBHCs, which of the following criteria are used to determine where SBHCs will be located?  (check all that applies)
   Number/percent of children uninsured   _____ Yes
   Number/percent of low-income children   _____ Yes
   Other barriers to care, e.g. transportation   _____ Yes
   Number/percent of adolescents   _____ Yes

   Other (if answer is YES, please list)__________________________________________

   d. Does the state have targeting guidelines for state-funded SBHCs?
   ____ Yes       ____ No

   e. Has the state established operating standards for SBHCs?
___ Yes    ___ No

If you answer NO to the above question, please go directly to question f.

Are they recommended?    ___ Yes    ___ No

OR

Are they required?    ___ Yes    ___ No

f. Are SBHCs licensed by state health licensing authority?    ___ Yes    ___ No

10. State policies regarding third-party payments for school-based health center services

Please check Yes or No

Fee-for-service
a. School-based health centers (or their institutional sponsors) are eligible for services under fee-for-service Medicaid
   ___ Yes    ___ No

b. School-based health centers (or their institutional sponsors) are eligible for services under fee-for-service SCHIP
   ___ Yes    ___ No

c. State policy specifically prohibits SBHCs from billing Medicaid
   ___ Yes    ___ No

Managed care

 d. State requires through law, managed care contracts or regulations, that Medicaid managed care provider networks include SBHCs
    ___ Yes    ___ No

e. State encourages through law, managed care contracts or regulations, that Medicaid managed care provider networks include SBHCs
    ___ Yes    ___ No

f. State prohibits SBHCs from being paid for care provided to Medicaid managed care beneficiaries
    ___ Yes    ___ No

g. State requires through law, managed care contracts, or regulations, that SCHIP managed care provider networks include SBHCs
    ___ Yes    ___ No

h. State encourages through law, managed care contracts, or regulations, that SCHIP managed care provider networks include SBHCs
    ___ Yes    ___ No
11. SBHCs and managed care experience

*Please check Yes or No*

a. Do any SBHCs in your state have contracts with managed care plans?
   _____ Yes  _____ No
   If yes, could you estimate how many? _______________

b. Do any SBHCs participate in commercial plans? ____ Yes  _____ No
   If yes, could you estimate the number of contracts with commercial plans?
   _______________

c. Does state law permit nurse practitioners to participate in managed care provider networks as primary care providers?
   _____ Yes  _____ No

12. SBHCs and preventive services

Does your state encourage or require grantees receiving state funds to provide counseling or other services to address the following issues?

*Please check Yes or No.*

- Alcohol and other drug use  ___ Yes  ___ No
- Nutrition  ___ Yes  ___ No
- Physical activity  ___ Yes  ___ No
- Sexual behaviors  ___ Yes  ___ No
- Unintentional injuries  ___ Yes  ___ No
- Violence  ___ Yes  ___ No

13. School-based health centers and community support. *Please check Yes or No.*

a. Has the state health department or education agency sponsored polls or organized focus groups to identify public interests or concerns regarding SBHCs?
   _____ Yes  _____ No

b. Has your state agency been asked to provide information on how to start, operate or fund a school-based health center?
   _____ Yes  _____ No

c. Has your agency been contacted by persons who were worried about the opening of an SBHC in their community?  _____ Yes  _____ No
   If yes, estimated number of contacts: _______

d. Has your agency been contacted by persons who opposed the opening of SBHCs in the state?
   _____ Yes  _____ No
   If yes, estimated number of contacts: _______

e. Do school-based health centers assess parent and/or student satisfaction with their services?  _____ Yes  _____ No
