

Worried About the Virus at School?

Stay clean, stay healthy: use tools for healthy schools.

3/17/20

CDC's Interim Guidance for Administrators of US Childcare Programs and K-12 Schools to Plan, Prepare, and Respond to Coronavirus Disease 2019 (COVID-19)

<https://www.cdc.gov/coronavirus/2019-ncov/specific-groups/guidance-for-schools.html>

(HS Network Caution: CDC suggests schools provide disposable wipes for children to use to clean hard surfaces where the COVID19 can linger. Because disinfectants are a type of pesticide, the disinfecting wipe labels say *not for use by children.*)

Caution on Disinfecting Wipes: Not for Kids!
